The luxury accommodation, which sleeps up to eight, consists of four bedrooms, two double and two twin. The bedrooms are set on either side of the villa thus giving two families added privacy. There are two bathrooms, one with bath and shower, the other with shower. Hair dryers are supplied. Central to the villa is a large comfortable lounge plus a separate dining room with bar area which overlooks the pool as well as panoramic views of the coastline. There is a well equipped kitchen with electric oven, gas hob, fridge, washing machine & microwave, leading to a small office area.

There is a poolside house for those wishing to shelter from the sun. The heated pool (7 x 4) is fully equipped with sun loungers and patio furniture leading down to a lower spacious terrace with barbecue.

Services

A weekly clean and a midweek towel change is undertaken. Management of the villa is close at hand with a full support service offered. Baby sitting can be arranged at a small cost.

Car Requirements

A car is essential and we can arrange this for you either direct from the airport or delivered to the villa.
